

St Charles' Catholic Primary School
'Together we follow in Jesus' footsteps in our living and learning'

School Parking Charter

I understand that the use of the school car park is a privilege and not a right, and I agree to abide by the following for the benefit of our children when using the car park:

- **I will park considerately within the parking bays.**
- **I am aware I can use Regent Chapel car park when the school car park is full.**
- **I will not park on the grass or the kerb stones.**
- **I will not park obstructing fire exits or park in staff designated parking bays.**
- **I agree to drive slowly and with extra care.**
- **I agree to turn off my engine when stopped and understand the school is a no idling zone.**
- **I agree to give priority to people walking in the car park.**
- **I understand that it is better for children's health to walk or cycle to school and whenever possible my children will travel to school by such means.**

This is included in our home school agreement.

Thank you for supporting the St Charles' Parking Charter and helping to make a difference.
