Dear Families

Nursery Forest School Sessions

Nursery Forest School sessions this term will be on a Friday afternoon. This will change each term to ensure part time children get a chance to access Forest School across the year.

The Forest School ethos is to offer all children regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a natural environment. We will be exploring den building, learning how to explore nature safely and learning new crafts as well as having lots of fun exploring the children's own interests.

The children will need to wear appropriate clothing and the children can come to school on Fridays in their Forest School clothes. I would suggest a pair of joggers, appropriate footwear (wellingtons or trainers) and a waterproof coat, with their usual school polo shirt and jumper/cardigan. Long sleeves and trousers are recommended to avoid injuries such as scratches. Unless there are strong winds, Forest School will continue to be held outside in our Forest School site every Friday afternoon.

If you have any questions, feel free to contact the school office or speak to me after school.

Yours sincerely

K Binney
