

7 November 2025

Dear Families

Children in Need 2025

We are excited to be supporting Children in Need this year on **Friday 14 November** with a fun-filled Crazy Hair Day!

The School Council will be running a glitter and coloured hair spray stall for a £1 donation, helping us raise funds for this fantastic cause. In addition, each class will be taking part in the nationwide Children in Need challenge "Challenge Yourself to 25." Together, the children will work towards completing a total of 25 kilometres through activities such as running, swimming, cycling, or walking, either before or after school. This is a wonderful opportunity to promote teamwork, perseverance, and a healthy lifestyle!

Each class will track their progress using our special 25km Tracker, proudly displayed in their classroom so they can celebrate their achievements and see the impact of their efforts.

Sponsorship forms will also be sent home for anyone who would like to collect additional donations from family and friends to support this great cause.

Thank you, as always, for your continued support.

Yours sincerely

M Cranney
