Dear Families

Pimm's and Hymns - Update

Over the years, we have greatly appreciated your support during our annual coffee mornings in aid of Macmillan Cancer Support. These events have always been a heartfelt way to come together as a school community while supporting a cause that touches many of our lives. Over the last few years, we noticed that fewer families attended this event. This year, in the spirit of trying something new, we planned a 'Pimm's and Hymns' gathering - an idea inspired by similar events held in churches, where communities come together to enjoy music, fellowship, and refreshments.

We have reconsidered this event taking place after parental feedback, and it will no longer be taking place. The planned cake sale for the children taking place at break time will still take place on Friday 26 September (there will also be a fruit option for children to purchase).

Please remember that we welcome any feedback regarding any aspect of school life from our families. We encourage our children to be honest and communicate with us so that we can support them in their learning journey. We ask our families to do the same and contact us directly so that we can work together as a school family. We do try to provide the best education possible for all our children. We may not always get it right; however, we always reflect and take on board feedback to strive to improve.

Thank you, as always, for your continued support, kindness, and understanding. We remain committed to creating meaningful opportunities to come together as a school family, and we look forward to sharing future events with you soon.

Yours sincerely

K Binney
