

25 April 2024

Dear Families

Summer Term Sports Week: 8 - 12 July

To link in with this year's Paris Olympics, we are holding a **Sports Week** in school in summer 2 where the children can try new sports as well as have fun and develop skills playing sports they already know. This week will give the children an opportunity to try new sports as well as inspiring them to have a lifelong love and passion for physical activity.

To do this, we need your help. If you have any experience working in this area and you are able to come into school to talk about your sporting career or lead the children in a sport themed workshop, we would be delighted to have you in school.

Please could you email office@stcharlesprimary.uk by **Friday 24 May** to let us know which time suits you best within this week. Please specify in the email which sport you will be able to share with the children.

Thank you in advance and we look forward to hearing from you.

Yours sincerely

EMills
