

6 September 2024

Dear Families

### **Great North Museum: Hancock**

In Science this half-term, Year 6 are learning about evolution and inheritance. To support them with this learning, Year 6 will be visiting Great North Museum: Hancock on **Thursday 19 September 2024**. The learning experience will consolidate and build upon the children's understanding of their current Science topic, '*How have living things changed over time*'.

There is a voluntary contribution of **£3 per child**, payable on ParentPay, to cover the cost of the workshop and transport.

We will leave at 9.30am and return by 3:00pm, travelling by Metro. Children must wear their full school uniform and have a waterproof jacket, water bottle, packed lunch and bag. Please remember not to include any products with nuts or any fizzy drinks in the packed lunch.

If your child is entitled to a free school meal and you would like school to provide a packed lunch, please contact Mrs Phillips in the school office no later than **Thursday 12 September**.

We need 3 parent volunteers to accompany us on this trip. If you are available to help, I would be grateful if you could contact the school office **no later than 3pm on Thursday 12 September**. If we are over-subscribed for volunteers, names will be drawn out of a hat to allow the process to be fair for all interested parties.

Yours sincerely

*RThomas*
