Dear Families

Language Link Screening

This year, as part of our work in supporting children, we are using the Language Link, language and communication programme in school. The short Language Link assessment will help us to identify children who may need more help with their understanding or use of spoken language. This will be completed with all children in Reception over the next few weeks.

If your child is identified as needing any extra support, we will get in touch to let you know and to plan the next steps for your child.

Should you have any questions in the meantime, please don't hesitate to get in touch.

Yours sincerely

KBinney

Mrs Binney
