

15 October 2024

Dear Families

Year 4 Water Safety

Year 4 will be taking part in water safety and to simulate this, they need to wear pyjamas over the top of their swimming costume. By wearing pyjamas, it allows the children to know what it feels like to swim with clothes on. Therefore, all children will need to bring pyjamas into school on **Friday 18 October** for their swimming lesson. We request the children bring lightweight clothes, so no onesies, and no football kits as the clothes will be worn in the swimming pool.

Year 4 swimmers must bring their swimming costume, towel, goggles, swim hat and pyjamas in a drawstring bag to school on this day. We also recommend children bring an additional bag to take their wet pyjamas home in.

Yours sincerely

L. Greatrex
