Dear Families

St Charles' has been named

Primary School of the Year in the North East 2025

It is my absolute pleasure to inform you that our school has been awarded Primary School of the Year in the North East for 2025. This will be shared in The Sunday Times Parent Power Good School Guide on Sunday 8 December 2024. As you can imagine, we are delighted at this amazing news. I have been Head Teacher of St Charles' for 10 years and I have continued to drive improvement in all areas for our children. I am thrilled that our school community has won this prestigious award. I would like to thank the staff team and governors for the amazing work they do every day for your children.

As a team, we aim to provide all our children with an excellent education. We provide a range of opportunities for them to succeed academically alongside enriching their personal development. Our curriculum is designed to be inclusive for all children preparing them for life beyond our school.

I would like to thank the staff and children for their hard work over the years that has enabled us to achieve this award. It is my privilege to lead such an amazing team and work with your children.

We will continue to be ambitious for all our children and do our very best each day.

Yours sincerely

Mrs Nealings
Head Teacher
